Product details

Inspired by the bedrooms at Soho Roc House, the Veda throw embodies traditional artistry and craftsmanship. The quality of this piece is achieved using lightweight and luxurious Tussar silk. The process, called Ahimsa, is carried out in an ethical and peaceful manner within one of India's small cottage industries, where the production of silk helps support a community of silk farmers, spinners and weavers.

Created using a traditional abstract pattern and fringed edging, the Veda throw is designed to suit a variety of contemporary and minimalist interiors schemes.
