Product details

Crafted from stainless steel with a brushed gold-tone finish, this set features a cafetiere with a black marble handle and four double-walled coffee cups. With clean Modernist lines inspired by the interiors at White City House, it's the perfect way to start the morning, and also makes an excellent gift.

- Cafetiere with four coffee cups
- Stainless steel with brushed gold finish
- Black marble handle
- Physical vapor deposition coating
- Inspired by White City House
