Tetbury Stool, Sycamore Leather

€1,000 Regular price

€850 Member price

As seen in 180 House, the Tetbury footstool is upholstered in leather and constructed into a tiered design with soft cushioning. We use footstools in the Houses because they're so versatile, doubling up as extra seating for guests, or a side table with a tray on top. They're also compact enough to be tucked away when you don't need them.
