Product details

Our limited-edition Leather & Oud Bassett diffuser is reminiscent of nightcaps at Soho House Hong Kong, with the deeply aromatic scent of worn Leather and Oud to create a warming evening mood. The glass vessel features a bespoke label designed by our in-house creative team, with abstract motifs that depict the signature scent and reference the cut-outs Henri Matisse created in the last decade of his life. Use the diffuser to fill your home with an uplifting, long-lasting aroma.
