Micah Bedside Table, Walnut Burl

Natural veining on the Black Marquina marble top and the tight, swirling burls of the walnut wood create a piece that's completely unique.

The mixed finishes on the Micah bedside table take inspiration from the interiors of White City House. Characterised by its rich, dark colouring, walnut burl veneer creates tambour doors complemented by mid-tone ash accents, while on top, honed Black Marquina marble is finished with an antique brass inlay.
