Our Kendra rug is based on a hand-painted artwork designed in-house, meaning no two are the same. Each floral motif is slightly varied, adding to its handcrafted feel, while the dappled colouring translates the highs and lows in the original artwork into the rug. Hand-knotted from wool by a group of skilled artisans in India, each rug takes up to six months to craft with as many as 30 knots per square inch for a hardwearing design. The rust-red shade will add instant warmth, while pairing well alongside our upholstery colours, with the pops of blue adding a vibrant contrast.
