Product details

Our Mercer sideboard is made from French oak combined with clean steel and antique brass detailing to highlight the natural grain of the timber. The splits in the timber are a natural characteristic of the reclaimed French oak. Two adjustable shelves inside allow for plenty of versatile storage, while the design mirrors the furniture found in our lounge spaces at Soho House Amsterdam, set inside the historic Bungehuis building.

- Sideboard in solid French oak
- Splits in the timber are a natural characteristic of reclaimed French oak
- Statement brass and steel accents
- Two adjustable internal shelves
- Cable cut outs in back panels
- Inspired by Soho House Amsterdam
