Product details

Featuring six tinted glass globes on antique brass frames, this is a version of the Mid Century-style pendants in the Allis restaurant at White City House. Daisy Bere of Soho House Design says 'The one in White City House was based on a vintage find, which we scaled up to suit the space. This smaller version is closer to the original. The champagne tinted glass with the bubbles also casts shadows and adds a bit of texture.'

- Antique brass metal frames behind globes
