

SOHO HOME

Corinthian Planter Grey, 45 X 38cm

£138 Regular

£110 SOHO HOME+

Product details

Inspired by the decor of our soon-to-be-opened House in Rome, the Corinthian planter resembles patterns and etchings found on Corinthian columns and Ancient Greek architecture. The planter is crafted from cement and covered in geometric scales that bring an artful streak to patios and deckings.

Large cement planter Design inspired by Ancient Greek and Roman architecture Crafted in China Inspired by Soho House Rome
