Product details

This Fleet side table has a white marble top and single brass leg for a sculptural feel, and its weighty base secures it firmly in place. We love it grouped together with its versions in Kapri stone and green marble to create an interesting contrast of heights and textures. It's inspired by the tables found at 180 House.

Care instructions: For day-to-day cleaning, dust with a clean, dry cloth. Marble must be cleaned with extreme delicacy as it is porous and can stain more easily than other materials. Surfaces are treated with anti-stain and anti-oil product, however, spills of acidic liquids such as wine, coffee, lemon or vinegar must be wiped immediately. Do not under any circumstances clean with abrasive or aggressive products, acidic detergents, bleach or abrasive paper or steel wool.
