

Espresso Martini Set

£175 Regular

£149 SOHO HOME+

Product details

We're showcasing the small start-ups and independent brands we love- created in collaboration with our Soho House members. This kit has everything you need to shake up your own espresso martini (apart from the ice). There's a bottle of Amass vodka, which is made just steps away from LA's Soho Warehouse by master distiller Morgan McLachlan, one of the few female distillers in the industry. You'll also find a tin of our House Blend ground coffee beans, a bottle of Kahlua and a cut crystal Barwell martini glass to serve it in.

- Espresso Martini gift
- Amass Vodka (75cl), Grind House Coffee (227g), Kahlua (70cl)
- Barwell crystal martini glass
- Crystal has a weighty feel and a highly polished brilliance
- Each piece is hand finished
- Barwell cut crystal is used in every Soho House
