

Portar Coffee Table, Michelangelo Marble

£775 Regular

£620 Membership

Product details

The sleek surface of the Portar coffee table allows the brown michelangelo marble veining to shine when it catches the light. The marble can be found in the mountains of Balochistan, a province located in the south-west of Pakistan.

Characterised by a screw-like base, the coffee table mirrors styles found at 76 Dean Street. Display coffee books and coasters for a homely finish.

Round marble top
Screw-style base
Michelangelo marble inset top
Intricate veining of the marble makes each piece entirely unique
Gold features with white veining
As seen on the counter top in Westbourne Grove
Inspired by 76 Dean Street
