### Product details

Handcrafted from apple-green marble, our Trento diffuser has natural variations in the stone, making each piece unique. The vessel is filled with our Sicilian Thyme fragrance, which blends top notes of Lemon and Thyme, with a heart of Pine and Lavender, and a hint of red fruit. Undertones of Patchouli and Amber round the scent off to capture the essence of Italian breakfasts on the morning terrace at Soho House Rome. Once finished, top up with our fragrance oils, or remove the borosilicate liner and reuse it as a decorative object.
