

Lucia Sideboard, Michelangelo Marble

£2,795 Regular

£2,376 Membership

Product details

Characterised by a louvre slatted front, the oak Lucia sideboard takes its cues from Soho House Rome. Suitable for large living spaces or offices, it has hidden recessed handles, three doors, and a michelangelo marble inset top with a brass trim. The black marble can be found in the mountains of Balochistan, a province located in the south-west of Pakistan. The wooden bun legs are complete with brass rings in the centre.

Oak and oak veneer sideboard Louvre slatted front Hidden recessed handles Three doors Michelangelo marble inset top Bun legs with brass ring in the centre Intense black background marble Gold features with white veining As seen on the counter top in Westbourne Grove Inspired by Soho House Rome
