### Product details

The double-walled Ardmore medium candle is crafted in Portugal and hand-finished with a translucent glaze to enhance the red hue. The angular design adds a contemporary touch to interiors, while the coloured wax matches the glazed vessel for a coordinated finish. Inspired by fragrant summer evenings overlooking the Arabian Sea at Soho House Mumbai, our spiced and musky Patchouli scent mingles with velvety Amber, and is grounded by woody notes of Cedarwood and Moss. Each candle is hand poured in England using a blend of mineral and vegetable wax that provides a clean burn and long-lasting scent release.

Burn Time: 70 hours

Care Instructions: When lighting your candle for the first time, allow to burn for a minimum of 2 hours or until there is a completely molten wax pool. This will ensure good burn performance and minimise instances of 'tunnelling'.

For best results, burn your candle for at least 2 hours but no more than 4 hours at a time. Burn in an area free from draughts & keep wax pool free from debris such as match heads. Allow the wax pool to solidify completely before relighting the candle. Keep wicks trimmed to 5mm at all times to avoid smoking. Stop use when 10mm of wax remains. Never leave a burning candle unattended. Keep out of reach of children and pets. Keep away from flammable materials, overhanging objects and polished surfaces. Never put in a warm place as this can cause the candle to overheat. Keep a minimum distance of 10cm between burning candles.
