Product details

Wonki Ware is a South African tableware brand that creates durable tableware to enhance your everyday. Using an artisanal process, each piece involves moulding, shaping, smoothing and painting clay in 15 different stages of the design journey.

In this exclusive collaboration, the tableware features a painterly black swirl on light speckled clay, designed by our in-house team and brought to life by the skilled artisans at Wonki Ware. Use this mug to reference the natural tones at Soho Beach House Canouan, and to honour age-old pottery techniques.
