

Elisa Chandelier

£2,750 Regular

£2,338 Membership

Product details

The Elisa chandelier will bring a sense of decoration to the simplest of rooms, without feeling intimidating. Designed to sit above a dining table with a nickel-finish frame, this rectangular lighting style echoes the 1970s-inspired interior of 180 House, where panels of light to dark textured glass are arranged in an intersection format. When grouped together, these panels create an ombre effect, resulting in a warmer lighting scheme for the home.

Tiered glass chandelier
Textured ombre glass panels
