Product details

Inspired by vintage Murano glass designs from the 1960s and the interiors at DUMBO House in Brooklyn, the Alabaster swirl lamp is topped with a spiral-cut globe shade. The base is carved from solid alabaster, which is characterised by natural fissures and veining, making each piece truly original. The antique brass dimmer switch allows you to create a strong light or soft glow to suit your mood.

Spiral-cut frosted glass globe shade
Carved solid alabaster base with distinctive veining
Natural variations and veining in the stone make each lamp unique
