Product details

Founded by Shoreditch House member, Nika Diamond-Krendel, Paradise Row is a British leather goods brand based in east London that celebrates the lost art of leather making. The cutlery pouches were specially created for the dining area in Londrino - chef Leandro Carreira's first solo venture. They have a sleek, minimalist aesthetic with stitched edges to bring an authentic, design-led finish to table settings.

Paradise Row aims to support a community of artisans who have been practising leather making for generations. Every design is timeless and minimal as the brand believes that the high-quality craftsmanship speaks for itself. Each piece is locally manufactured in London and responsibly sourced from European tanneries in Italy and Belgium.
