Product details

Founded by Shoreditch House member, Nika Diamond-Krendel, Paradise Row is a British leather goods brand based in east London that celebrates the lost art of leather making. This desk mat is part of the brand's Studio Collection and was originally handcrafted for Paradise Row HQ. It has a sleek, rectangular form with soft curved edges to bring an authentic, design-led finish to your own studio or home office.

Paradise Row aims to support a community of artisans who have been practising leather making for generations. Every design is timeless and minimal as the brand believes that the high-quality craftsmanship speaks for itself. Each piece is locally manufactured in London and responsibly sourced from European tanneries in Italy and Belgium.
