Product details

Spanish ceramic sculptor and Soho House Barcelona member, Marta Bonilla, designs and creates sculptural ceramics in her workshop in Barcelona. This terracotta vase is made using a modelling technique to create a rounded base and distinctive conical, fluted neck. The interior is glazed with transparent matt clay, so you can fill the vase with water and display flowers. Perch it on a mantelpiece or side table to pay homage to the designer's simplistic, raw and earthy aesthetic. Terracotta vase Low temperature clay Glazed inside with clear matt clay Can be used to contain water Designed and made in Barcelona
