### Product details

Spanish ceramic sculptor and Soho House Barcelona member, Marta Bonilla, designs and creates sculptural ceramics in her workshop in Barcelona. This small amphora is made using a modelling technique to create two handles, a narrow neck, and wide body. The interior is glazed with transparent matt clay, so you can fill the pot with water and display flowers. Perch it on a mantelpiece or side table to pay homage to the designer's simplistic, raw and earthy aesthetic. Terracotta amphora vase Low temperature clay Two small handles Narrow neck and base Wide body Glazed inside with clear matt clay Can be used to contain water Designed and made in Barcelona
