Product details

Rogaška Glassworks has been producing crystalware in its factories since 1927. This is also where Soho House's signature Barwell collection is made. A set of skilled craftsmen use mouth-blowing techniques to form the shape, before each glass is intricately cut, inspected and hand-polished for a brilliant finish with a weighty feel. Used in all of our Houses, our Barwell crystal remains a timeless firm favourite to add to your own collection.
