Product details

You'll find Tala bulbs in the lamps, wall lights and chandeliers in many of our Houses. Tala is on a mission to become the definitive zero-carbon lighting brand. Made from high quality fully recyclable materials Tala LED bulbs use 90% less energy than incandescent equivalents and have a lifespan of between 5-10 years in the home, this efficiency and longevity reduces energy bills and lowers the users' carbon footprint. Together with reforestation partners, Tala have planted over 40,000 trees worldwide.

The Porcelain II light bulb by Tala is a bold and compact E27 bulb that will illuminate your interior with soft white light while reducing energy bills and lasting an average of 5-10 years based on daily usage.

- 6W Edison Screw E27 classic LED bulb by British lighting brand Tala
- Porcelain bulb allows a warm white light to be diffused softly
