Product details

'This rug is based on a vintage Amsterdam School rug which is a very specific style and quite hard to find. You'll see this in the Monumental rooms. We tried to keep within Scandinavia, Art Deco, Amsterdam School - thinking along those lines. Lots of geometric patterns in the building, lots of tiles, stained windows, veneered panelling in the Monumental rooms; it's a very masculine, geometric space so it was nice to play on that.'

- Handtufted wool rug inspired by a vintage design
- Abstract pattern based on the Amsterdam School style
- Seen in the Monumental bedrooms at Soho House Amsterdam

Fabric: 100% wool, cotton backing

Care Instructions: Vacuum your rug on a low-power setting and avoid using the brush. Remove liquid spills immediately by blotting with a clean, un-dyed cloth. The oil in the wool naturally repels dirt but professional rug cleaning is recommended for hard-to-remove stains. Avoid exposing your rug to direct or continuous sunlight. Use with rug underlay and with rug protectors under legs of heavy furniture. Do not pull loose ends, cut them with scissors and tuck them back into the rug's weave to prevent fraying. Turn your rug around occasionally to equalise wear.
