

Lisette Cushion, Blue

£175 Regular

£149 Membership

Product details

'The corridor runner that runs along the guest corridors has a similar pattern to this cushion, and the reason why we chose it is because we went to see Rembrandt's house and there was a really cool, very traditional Dutch chair in one of his bedrooms and it had that pattern in it; we found a similar fabric and took that as inspiration.'

Linda Boronkay, Soho House Design Director

- Oblong cushion with woven textured cover
- Covered with Bargello fabric by Watts of Westminster
- Teal velvet reverse and tassel trim
- Feather pad
- Made in England
- Also available in gold
- Inspired by the cushions in the bedrooms at Soho House Amsterdam
