

## Fleet Side Table, Medium Stone Top

£245 Regular

£208 SOHO HOME+

### Product details

This Fleet side table has a solid, Kapri stone top and a single brass leg for a sculptural feel. The weighty base secures it firmly in place. We love it grouped together with the white and green marble versions to create an interesting contrast of heights and textures. It's inspired by the tables found at 180 House - opening soon on London's Strand.
