Product details

Built to last a lifetime and serve generations to come, the Calne dining table is carved from premium British Pippy oak, with a characteristic live edge. The chunky heirloom piece is inspired by biophilic design, a concept that connects people to nature. Visible knots and cracks are featured throughout and considered charming features of natural timber. Place it in the centre of a dining room to recreate the rustic settings at Soho Farmhouse.

- Solid British Pippy oak dining table
- Made in the UK
- Biophilic design
- Live edge detail
