Product details

We've used Pocahontas marble sourced from Greece to create our Fernsby coffee table, characterised by oxidised iron tones and warming shades of green, orange, and yellow. A honed finish accentuates the unique clasts, which have been compressed by nature over millions of years. Use this piece as a starting point to build your living area - its modern structured tones and blackened brass frame recall the textures found at 180 House.

Assembly Required: Yes
Care Instructions: For day-to-day cleaning, dust with a clean, dry cloth. Marble must be cleaned with extreme delicacy as it is porous and can stain more easily than other materials. Surfaces are treated with anti-stain and anti-oil product, however, spills of acidic liquids such as wine, coffee, lemon or vinegar must be wiped immediately. Do not under any circumstances clean with abrasive or aggressive products, acidic detergents, bleach or abrasive paper or steel wool.
