## Alesia Highball Amber, Set Of Four

£30 Regular

£24 Membership

### Product details

The Alesia glassware collection lends a vintage-inspired aesthetic to any tablescape. Mouth blown to create the exaggerated optic detail, our set of four Alesia hiball tumblers are ideal for serving a long refreshing drink. A straight-sided handcrafted optic pattern nods to 1950s brutalist architecture, whilst the deep amber colouring accentuates the mid-century aesthetic. The perfect addition for entertaining as well as casual dining.

Set of four glass tumblers  
Mouth blown glass  
Hiball design  
Smoky amber finish  
Crafted in Thailand  
Inspired by Soho House Rome
