

## Calathea Orbifolia & Dalston Chalk Pot

£85 Regular

£72 Membership

### Product details

Native to Bolivia, Calathea Orbifolia is a decorative houseplant, characterised by distinctive white stripes, rounded leaves and air-purifying abilities. As the plant matures, the light-green leaves darken which is a charming characteristic of the perennial plant. It comes in a hand-crafted, matte ceramic pot, which looks great perched on a desk or side table.

Medium, indirect sunlight (tolerates low light too) Weekly waterings, allowing the top two inches of soil to dry out partially Air purifying Pet friendly Moderate care Enjoys humidity and misting Comes in the Dalston Chalk pot with drainage holes and saucer Pot hand-crafted in Portugal by expert ceramicists
