

## Claudine Dinner Plate, Set Of Four

£150 Regular

£128 Membership

### Product details

Our Claudine tableware is typical of French brocante-style crockery, with an eye-catching bright blue rim as a nod to classic French design. This is achieved through hand-painting the ceramic, which allows the colour to run through the ridges and create its unique pattern. Crafted by a set of skilled artisans in the countryside just outside Florence, each piece has a chunky, weighty feel to create a table display that you would find in Soho Farmhouse.

Set of four dinner plates  
Chunky, weighty ceramic  
Inspired by French vintage tableware  
Designed in-house  
Hand-painted bright blue rim  
Handmade in Italy  
Inspired by Soho Farmhouse
