

Claudine Cereal Bowl, Set Of Four

£125 Regular

£106 Membership

Product details

Our Claudine tableware is typical of French brocante-style crockery, with an eye-catching bright blue rim as a nod to classic French design. This is achieved through hand-painting the ceramic, which allows the colour to run through the ridges and create its unique pattern. Crafted by a set of skilled artisans in the countryside just outside Florence, each piece has a chunky, weighty feel to create a table display that you would find in Soho Farmhouse.

Set of four cereal bowls
Chunky, weighty ceramic
Inspired by French vintage tableware
Designed in-house
Hand-painted bright blue rim
Handmade in Italy
Inspired by Soho Farmhouse
