Product details

Alessandra of AEAND draws inspiration from travel and culture with her art prints and homewares. Using solely hand-rendered techniques, Alessandra consciously plays with the line between art as a product and product as a piece of art in work that explores and celebrates the imperfections of handmade processes. Her love of texture and tactility is reflected in her choice of natural, considered materials that organically form bold, abstract shapes.

'Kindling I' by AEAND Ground earth pigment on cotton rag paper Framed using reclaimed wood Exclusive piece From the M.A.H Gallery collection Includes M.A.H-branded certificate of authenticity
