Product details

A mix of finishes brings both texture and detail to the Micah bedside table. Drawing inspiration from the interiors of White City House, walnut burl veneer tambour doors are complemented with mid-tone ash accents and a honed black marquina marble top, finished with an antique brass inlay. Walnut burl is characterised by its rich dark colour and tight swirling burls, meaning no two pieces are the same. An adjustable internal shelf means you can also adapt the table to suit your storage needs.
