Product details

Our Delano collection evokes the 1970s-inspired, laid-back vibe of Soho Warehouse in LA. Handmade by artisans from a family-run business, Ceramiche Fabbro, in Udine, Italy, their meticulous skills have been passed down the generations since 1919, ensuring every single Delano creation is a work of true craftsmanship. After being moulded from high-quality clay, each piece is dried and fired in a kiln, then hand-poured with a layer of tonal colours to form its unique tonal drip design. This 20-piece set is ideal for everyday family dining, as well as intimate dinner parties with friends.
