Product details

RogaŃka Glassworks has been producing crystalware in its factories since 1927. This is also where Soho House's signature Barwell collection is made. A set of skilled craftsmen use mouth-blowing techniques to form the shape, before each glass is intricately cut, inspected and hand-polished for a brilliant finish with a weighty feel. Used in all of our Houses, our Barwell crystal remains a timeless firm favourite to add to your own collection.

Our House champagne, Collet, is behind the bar at Soho Houses around the world, and now you can enjoy it at home. Serve it just as we do at the Houses - ice cold and in our Barwell crystal coupes.
