Product details

An extension of our Vivienne range, this swivel armchair takes its inspiration from the 1960s-inspired interiors of White City House. Upholstered in a cotton velvet fabric, pleated stitch detailing to the back of the chair makes it a versatile piece to sit in any area of the living room while adding a tactile point of interest. The oversized curved shape is an elevated take on the classic tub armchair, created for cozy, conversational moments in mind.

Swivel armchair
An extension of the Vivienne range
