### Product details

An extension of our Vivienne range, this swivel armchair takes its inspiration from the 1960s-inspired interiors of White City House. Upholstered in a cotton velvet fabric, pleated stitch detailing to the back of the chair makes it a versatile piece to sit in any area of the living room while adding a tactile point of interest. The oversized curved shape is an elevated take on the classic tub armchair, created for cozy, conversational moments in mind.

Swivel armchair
