Product details

Our Tiber console table takes design cues from Soho House Rome, as well as Italian art history. The polished Brazilian quartzite top features deep and earthy tones of brown, gold, peach and burnt orange, with cooler blue and grey hues reminiscent of High Renaissance pieces. Oak burl legs echo the many burl finishes seen around our Rome House with medium brown heartwood and darker burl pockets. Ideal for adding a touch of classic Italian design in the hallway or entryway.

- Marble and wood console table
- Polished Brazilian quartzite top
- Marble choice reminiscent of colours found in High Renaissance art
- Mid-tone oak burl legs
- Inspired by Soho House Rome
