## 'UV Ceti' by Debbi Kenote

£2,086 Regular price

£1,773 Member price

Part of a series of artworks centred on stars, from the artist's research on astronomical stars to the quilting blocks that create the star-shaped canvases.

Going back and forth between painting and sculpture, Brooklyn-based Debbi Kenote is interested in creating shapes. Both an activist and artist, she says that her works can't help but reflect the world unfolding around her.
