

Soho Skin Renewal Serum, 50ml

£76 Regular

£65 Membership

Product details

Formulated with our rejuvenating Soho Skin Concentrate, this calming lightweight serum is enriched with a smart melanin modulator to help brighten and even the skin, plus cell-communicating peptides to support its structure. Multi-tasking niacinamide reduces the appearance of pores, calms inflammation and improves uneven skin tone, while antioxidants protect against free radical damage. Skin appears balanced, smoother and more radiant.

A supercharged serum that works to even, firm and protect the skin Recommended for all skin types - especially those with uneven skin tone, discoloration and/ or a loss of firmness and elasticity. How to use

Morning and night, apply two to three pumps after cleansing and before moisturising. Work into skin using the fingertips or palms until the serum is fully absorbed.

Dimensions

H1 x W1 x D1cm / H1 x W1 x D1"

Weight

1kg / 2.2lbs

Details

Ingredients: Aqua (Water), Glycerin, Propanediol
