

On The Go

£200 Regular

£170 Membership

Product details

We're showcasing the small start-ups and independent brands we love- created in collaboration with our Soho House members. Perfect for those craving a coffee fix on the go, this handy travel mug is built with smart tech that allows you to set the temperature of your hot drink for up to three hours. It comes with our House Blend Coffee from Grind in Shoreditch.

- Ember Travel Mug, leakproof and dishwasher safe
- Grind's House Blend Coffee
