### Product details

This Fleet side table has a green marble top and single brass leg for a sculptural feel, and its weighty base secures it firmly in place. We love it grouped together with its versions in Fantasy Brown and white marble to create an interesting contrast of heights and textures. It's inspired by the tables found at 180 House.

- Green marble top
- Variations in the marble make each piece unique
- Brass leg
- Made in India
- Inspired by 180 House
