Product details

A great piece for any living room or study, our Sebastien side table is made from Jurassic Green marble with a central brass column. The edges have been smoothed out to complement the slim shape, and highlight the contrast between the tonal variations in the marble and antique brass-finish frame.

- Sebastien side table
- Central cast metal column
- Smooth edges
- Tonal variations in the marble make each piece unique
- Antique brass-finish frame
- Inspired by Ludlow House
