## Product details

The double-walled Ardmore medium candle is crafted in Portugal and hand-finished with a translucent glaze to enhance the sage hue. The angular design adds a contemporary touch to interiors, while the coloured wax matches the glazed vessel for a coordinated finish. Reminiscent of Italian breakfasts on the morning terrace at Soho House Rome, our Sicilian Thyme fragrance blends top notes of Lemon and Thyme, with a heart of Pine and Lavender, and a hint of red fruit.
Each candle is hand poured in England using a blend of mineral and vegetable wax that provides a clean burn and long-lasting scent release.

Allow the wax pool to solidify completely before relighting the candle. Keep wicks trimmed to 5 mm at all times to avoid smoking. Stop use when 10 mm of wax remains. Never put in a warm place as this can cause the candle to overheat. Keep a minimum distance of 10 cm between burning candles.
