Product details

The Josephine chandelier is a vintage Italian design, drawing inspiration from Soho House Rome and its immediate surroundings. The antique brass-plated frame can be adjusted to adapt to your room, while crackle-effect orbs bring texture to an ambient lighting scheme. This technique is created through a meticulous heating and moulding process, before the glass is placed into room-temperature water for thermal contraction to create the crackle.

- Brass-plated chandelier
- Antique brass frame
- Adjustable height
- Crackle-effect orb bulbs
- Recommended bulb: Tala 2W Pygmy LED
- Inspired by Soho House Rome
