### Product details

Founded by Shoreditch House member, Nika Diamond-Krendel, Paradise Row is a British leather goods brand based in east London that celebrates the lost art of leather making. These double-backed coasters are part of the brand's Studio Collection and are housed in a sculptural leather case with stitched edges for an authentic, design-led finish.

Paradise Row aims to support a community of artisans who have been practising leather making for generations. Every design is timeless and minimal as the brand believes that the high-quality craftsmanship speaks for itself. Each piece is locally manufactured in London and responsibly sourced from European tanneries in Italy and Belgium.
