Founded by Shoreditch House member, Nika Diamond-Krendel, Paradise Row is a British leather goods brand based in east London that celebrates the lost art of leather making. This pencil case has a two-part design to conceal pens and pencils when not in use. The sleek, cylindrical form is complete with the brand's signature stitching to bring an authentic, design-led finish to your home office.

Paradise Row aims to support a community of artisans who have been practising leather making for generations. Every design is timeless and minimal as the brand believes that the high-quality craftsmanship speaks for itself. Each piece is locally manufactured in London and responsibly sourced from European tanneries in Italy and Belgium.
