Product details

'We found an amber coloured glass for the domed lights on the front of The Allis bar - a tribute to the atomic dots on the side of Studio 1 - and decided to continue using it in the lamps to bring a glow to the main member's club bar. The amber glass has a real warmth to it and the lamp has a '60s space age look with its brass and timber base.' Daisy Bere, Soho House Design

- '60s style table lamp with blown amber glass shade
- Walnut wood base with brass collar
- 2 x E14 globe bulbs, 40W max
- Inspired by the lamps on the club floor at White City House
